Involving Continental Event Hire in your special celebration, sports event, wedding or corporate occasion makes the planning easy. All you have to do is make one phone call or email us – we'd love to help.

If you cannot see something that you want in this brochure, just ask. Having been in business for more than four decades, we have extensive contacts and can probably source it for you.

Pricing is effective 1 January 2010 and subject to change without notice.

The prices listed are for one hire only based on one use or a four-day period from our store including weekend hire.

Pricing is based on collecting and returning the equipment, in a clean condition, on time. If we need to clean the equipment after you return it this will incur an additional charge.

We are happy to deliver, install, dismantle and collect equipment for an additional freight charge – please just enquire.

We require a 25% deposit at time of booking with the remainder settled when collecting the equipment. We accept Visa and Mastercard credit cards, eftpos and cheques (with suitable ID).

During periods of high demand, particularly in the summer months, it pays to call us as soon as you're thinking about holding a special occasion, to avoid any availability disappointments.

We are always happy to quote on extended periods and are often able to offer special rates for long term hires – just ask.

Helpful Hints

- Have you got enough coffee plungers, milk jugs, sugar bowls and water jugs?
- Allow for 30% more glasses – as people often put a glass down then need a clean one.
- It pays to have 10 spare sets of cutlery (forks, knives and spoons).
- Do you need napkins, salt and pepper shakers, platters or serving spoons?
- Don't forget teaspoons.
- If you have a number of older guests, the extra comfort of padded chairs will be appreciated.
